# WELCOME TO FIBRE

It's been 19 years since Fibre burst onto the Leeds scene and what an amazing journey it's been. Reinventing itself through time, Fibre now sits firmly in pole position as the city's hottest independently run bar.

Fibre offers a memorable experience every day of the week. Whether it's a quick cocktail on your lunch break, a catch up with friends watching some live entertainment or getting yourself ready to party the weekend away with our army of resident DJs.

We're best known for legendary Bank Holiday Courtyard Parties, unique luxury Penthouse events and our BOGOF drinks deals.

## DOWNLOAD OUR APP

The background of the page is a complex, abstract geometric pattern. It consists of numerous overlapping, irregular polygons of various shapes and sizes. The lines forming these polygons are a light, warm gold or beige color. Some of the polygons are filled with a fine, parallel diagonal hatching pattern, also in the same gold color, creating a textured effect. The overall composition is dynamic and non-representational.
